GlasMag by Amazing Magnets is an innovative brand of magnetic essentials that help enhance your creativity, communication, and workflow.

Our magnetic products will improve the quality of your life at the office, school, or home – keeping you organized, safe and focused on the task at hand. And our creative designs and colors will enhance any workspace.

If you need to add, edit, or make a 180-degree turn on a project, our magnets will keep your files, markers, erasers, and other important items close by, so you never lose your focus or interrupt your workflow. Each licensed magnet has quality you can trust. All our magnetic tools attach securely to whiteboards, glassboards, or other magnetic surfaces without sliding off.

So, sit back and get your creative juices flowing while you browse America’s largest collection of licensed and innovative magnetic products for the workplace, school, and home. And, when you’re done with your projects, we’d love to see your creativity first-hand, so post on Instagram, Facebook, LinkedIn, or Twitter and tag @Amazing Magnets.

What is the Everclean Eraser?

Our unique Everclean Eraser system features four replaceable felt pads that secretly stores three of the felt pads inside the body of the eraser keeping it in tip-top shape. Buy one eraser that lasts the life of four!

You can purchase a set of three Refill Pads that can be stored inside the Everclean Eraser.

Everclean Eraser Refill Pads
Item Code: EVERCLEAN-REFILL-4PACK

How to Use Refill Pads

1. Remove the used felt from the eraser.
2. Pinch and pull the felt storage out to reveal replacement felt pads.
3. Close the felt storage and place new felt onto eraser.
Erasers

The eraser is the marker board essential, second only to the marker. This eraser cleans with one swipe keeping your board pristine. It is strong and stays in place so it is ready when you need it keeping you focused on your work.

Everclean erasers come with 4 replaceable felt pads. Three of the replaceable pads can be stored inside the eraser body extending the eraser life by 4x making it an amazing value!
