

GlasMag by Amazing Magnets are magnetic essentials that help enhance your creativity and communication.

Our magnetic products improve the quality of your work at the office, school, or home. And our creative designs and colors will enhance any work space.

If you need to add or edit a thought, our magnets keep your markers, erasers, and other important items close by, so you never interrupt your thinking or workflow. Each magnet has quality you can trust. All of our magnetic tools attach securely to whiteboards, glassboards, and other magnetic surfaces without sliding off.

To see the innovative workplace tools that naturally enhance your creativity and communication, turn the page and browse America's largest collection of magnetic accessories.

Marker Mag Adapter
Item Code: MARKERMAG-EX

Magnetic Paper Clip
Item Code: PAPER-CLIP-BLACK

Paper Clip

The Grand Daddy of them all! Holds up to 50 sheets of 8.5" x 11" paper at a time without sliding off your board. This strong clip is magnetized at the back to stick to your board, and also magnetized in its grip to hold strongly.

Erasers

The eraser is the marker board essential (only second to the marker). This eraser is strong, reliable, and always at your fingertips. The GlasMag by Amazing Magnets line of magnetic erasers are here to keep your workflow going smoothly and your board pristine.

Everclean erasers feature replaceable felt pads, and comes with 4 felt pads, 3 pads are stored inside the eraser body. The additional pads extends eraser life by 3x making it an amazing value!

Everclean Eraser

Item Code: EVERCLEAN-ERASER

The white Everclean-Eraser has a sleek and clean design as well as comes with 4 felt pads, and can store 3 pads inside the eraser body.

Classic Eraser

Item Code: GLASMAG-ERASER

The tried-and-true white classic magnetic eraser. (does not contain storage compartment for replacement felt pads)

Soft Touch Everclean Eraser

Item Code: EVERCLEAN-ERASER-STBLACK

The black Soft Touch Everclean Eraser has a smooth deep black velvety appearance giving it both style and substance. Comes with 4 felt pads, and can store 3 pads inside the eraser body.

What is the Everclean Eraser?

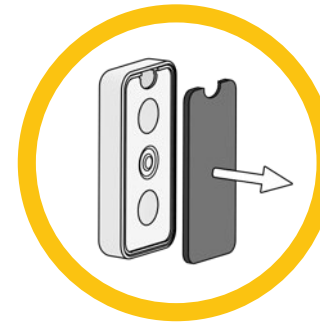

Our unique Everclean Eraser features a replaceable felt pad system that keeps your eraser in tip-top shape. Buy one eraser that lasts the life of four! Make sure your Everclean Eraser is always in its best shape with Eraser refill pads. Refill pads can be stored inside of the Everclean Eraser body - up to 3 pads at a time.

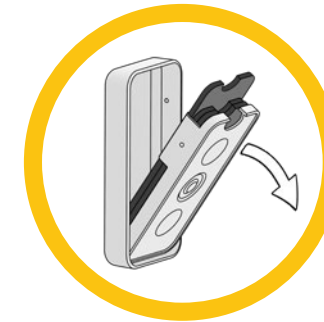

Everclean Eraser Refill Pads

Item Code: EVERCLEAN-REFILL-4PACK

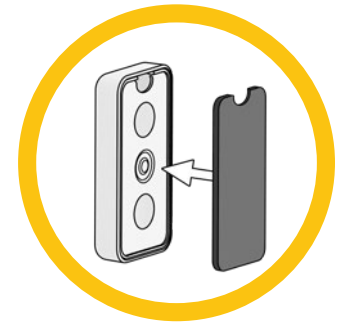

How to Use

1. Remove the used felt from the eraser

2. Pinch and pull the felt storage out to reveal replacement felt pads.

3. Close the felt storage and place new felt onto eraser.

Full Color List

Our products are made with strong and durable ABS plastics that compliment our magnets' strength perfectly.

Special Finishes

These products feature not only unique colors, but also special finishes. Silver and Black Pearl are reflective chrome finishes, while Soft Touch Black is a velvety matte black finish.

Specialized Custom Products

We can customize with insert molding, create mating parts, packaging, barcoding, and conduct testing. Our products are made with strong and durable ABS, Aluminum, Teflon, PE, PPE & PC plastics that compliment our magnets' strength perfectly.

Our real strength lies in custom design consultation. We can partner with you to design custom accessories using your company or school name and or logo to deliver exactly what you want. Before development, we make certain you get what's right using our 3D models, renderings, and prototypes. We go further than anyone else in meeting your specific needs.

Alternative Usage

Premium whiteboard and glassboard accessories designed for professionals, families, students, or teachers in the workplace, home, or school. Not only will you enjoy the feel, strength, and look of our magnetic accessories, you'll get the most out of your whiteboard or glassboard so you can be at your best. With GlasMag by Amazing Magnets you have access to the largest collection of magnetic tools from the leading industry designer. There's no comparison in the marketplace.
